## COVID-19 Vax on the Spot Campaign Update

Buckeye and other Ohio Managed Care Plans (MCPs) have updated the \$100 COVID-19 member vaccine incentive to now allow members 12 years and older to receive the incentive. The member incentive rewards Ohio Medicaid and MyCare members who receive their first dose of the COVID-19 vaccine between now and December 31, 2021. Members 12 years and older are now eligible to receive the increased vaccine incentive.

As a reminder, providers who administer the vaccine will also receive an administration fee increase through December 31, 2021 date of service. Please provide the member with the [Member Incentive Voucher \(PDF\)](#) after they have received the vaccination.

FQHC, RHC and QFPP providers will receive the administration fee increase until December 31, 2021 through the bonus payment process. Please refer to the previously posted network notifications for more information about the provider incentive and billing.

For more details refer to the [Vax on the Spot Provider flyer \(PDF\)](#) and additional materials can be found at [COVID Vax on the Spot](#). If you have questions, reach out to Provider Services at 866.296.8731.

We would like to thank you for your support of the Ohio Medicaid and MyCare members.
